The Dinosaur Feather The Arc of the Swallow S.J. Gazan Sissel-Jo Gazan

The Dinosaur Feather The Arc of the Swallow *S.J. Gazan Sissel-Jo Gazan*

selected by npr's maureen Corrigan and the Wall Street Journal's Tom Nolan as one of the best mysteries of the year, Gazan's *The Dinosaur Feather*, which the Financial Times called "outrageously entertaining," is a classic of modern Scandinavian noir with keenly observed and deeply flawed characters. This scintillating thriller revolves around the controversial and fascinating connections between dinosaur and avian evolution biology. Postgraduate PhD hopeful and single mom Anna Bella Nor is just two weeks away from defending her thesis on the saurian origin of birds when her academic supervisor, the highly respected yet widely despised Dr. Lars Helland, is found dead in his office chair at the University of Copenhagen. The police discover a copy of Anna's thesis in the dead man's bloody lap when the autopsy suggests that Helland was murdered in a fiendishly ingenious way. Brilliant but tormented young police superintendent Søren Marhaug is called to investigate as he begins the daunting task of unraveling the knotted skeins of interpersonal and intellectual intrigue among the scientists at the university. His own troubled past begins to complicate the case, everyone involved with the investigation from Anna Bella Nor to Helland's numerous academic rivals to Marhaug's own ex-wife, who is pregnant with her current husband's child, has something to hide, muddying the investigation and presenting the detective with the greatest professional and personal challenge of his life.

A seeker after truth will be hunted as prey when controversial professor Kristian Storm is found hanged in his office. His assistant Marie Skov refuses to believe that he has committed suicide, having just returned from West Africa on a research trip. The late scientist had uncovered a shocking truth about immunology programmes in the developing world. Former police detective Søren Marhaug is determined to prove what really happened to the professor while Marie grapples with Storm's disputed legacy. Søren leads them both beyond legal boundaries and behind the scenes of the cut-throat pharmaceutical industry. Sissel Jo Gazan's bestselling and influential *The Dinosaur Feather* introduced Danish crime lovers to the competitive and perfidious world of biological science. In this outstanding sequel, her ingenious research, complex characterisation, and

suspenseful plotting supercedes the promise of her internationally acclaimed breakthrough

Thank you very much for reading **Bigstock Family People Health Services 9515438.jpg**.
