*Pretty in Ink* Trina Robbins, 2013-12-02 Trina Robbins has spent the last thirty years recording the accomplishments of a century of women cartoonists, and *Pretty in Ink* is her ultimate book, a revised, updated and rewritten history of women cartoonists, with more color illustrations than ever before, and with some startling new discoveries (such as a Native American woman cartoonist from the 1940s who was also a Corporal in the women's army, and the revelation that a cartoonist included in all of Robbins's previous histories was a man!) In the pages of *Pretty in Ink* you'll find new photos and correspondence from cartoonists Ethel Hays and Edwina Dumm, and the true story of Golden Age comic book star Lily Renee, as intriguing as the comics she drew. Although the comics profession was dominated by men, there were far more women working in the profession throughout the 20th century than other histories indicate, and they have flourished in the 21st. Robbins not only documents the increasing relevance of women throughout the 20th century, with mainstream creators such as Ramona Fradon and Dale Messick and alternative cartoonists such as Lynda Barry, Carol Tyler, and Phoebe Gloeckner, but the latest generation of women cartoonists—Megan Kelso, Cathy Malkasian, Linda Medley, and Lilli Carré, among many others. Robbins is the preeminent historian of women comic artists; forget her previous histories: *Pretty in Ink* is her most comprehensive volume to date.

**Nell Brinkley and the New Woman in the Early 20th Century** Trina Robbins, 2001-05-23 The art and commentary of Nell Brinkley (1886-1944) ran in American newspapers from 1907 through the 1930s. At the height of her popularity, "The Brinkley Girl" appeared in the Ziegfeld Follies and inspired poems and popular songs. Brinkley's name even sold hair curlers, and her delicate pen work influenced later women cartoonists. As early as 1913, Brinkley was drawing working women, from farm and factory workers to those pursuing careers, using her art to encourage decent pay, pensions, and housing for thousands of young women working for the war effort. This work covers her life and her work, which might upon first glance show pretty girls but on a closer inspection reveals a post-Victorian feminism. It also looks at her rise to popularity, the innocent sexuality of her Brinkley girls, the sugary and sentimental Betty and Billy series, and the beauty of her line drawings.

Mess Keri Smith, 2010-09-07 From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep

everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the “real world.” There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no “wrong.”) 3. Continue under all circumstances. It's time to make a mess.

**Tender Murderers** Trina Robbins, 2003-01-01 The celebrated author and cartoonist collects twenty chilling true crime stories from the annals of history, each with a female criminal who does not hesitate to pull the trigger or utilize another weapon of murder—including Bonnie Parker, Charlotte Corday, Belle Starr, and Phoolan Devi. Original.

*The Hollows Awakening* Trina Bates, 2018-11-12 I thought I was out for a night of fun with the love of my life, Ebbin. My best friend Blue had other plans. She added a little something extra in our drinks. Something meant for Ebbin and I. A lust spell. We ended up taking three men home that night. Now eight weeks later, we find out we're pregnant. We're ecstatic, that is until we run into the three men we thought, were long gone. We didn't know they were different, supernaturals which we call Other. We also thought our baby would be human like us, a Hollow. Forced to find out what our child will be, I can't help but wonder if it will bring us all together, or tear us apart.

**Hope For the Flowers** Trina Paulus, 2017-07-13 Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020. Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? “What might I do to help others during this global crisis? Is likely still your question as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover our purpose and live with passion this thing called life, while we still can. “How does one become a butterfly” Yellow asks pensively. “You must want to fly so much That you are willing to give up being a caterpillar.” I can't think of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another

and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.

**Hershel and the Hanukkah Goblins** Eric A. Kimmel, 2014-06-01 The classic Hanukkah tale, shared by families all around the world-- now available in a beautiful anniversary edition. A Caldecott Honor book. An original tale featuring a traditional Jewish folk hero, this clever story, which received a Sydney Taylor Honor, has been a family favorite for decades. On the first night of Hanukkah, a weary traveler named Hershel of Ostropol eagerly approaches a village, where plenty of latkes and merriment should warm him. But when he arrives not a single candle is lit. A band of frightful goblins has taken over the synagogue, and the villagers cannot celebrate at all! Hershel vows to help them. Using his wits, the clever trickster faces down one goblin after the next, night after night. But can one man alone save Hanukkah and live to tell the tale? Trina Schart Hyman's leering goblins are equal parts terrifying and ridiculous as they match wits with Hershel, trying to keep him from lighting the menorah and celebrating Hanukkah. This beautiful 25th Anniversary Edition includes an insightful afterword from the author and publisher explaining the book's origins, and remembering Trina Schart Hyman, the illustrator who brought the tale to life. This classic picture book is a perfect Hanukkah gift and a wonderful read-aloud. For more tales of this clever folk hero, read *The Adventures of Hershel of Ostropol*— another collaboration between master storyteller Eric A. Kimmel and Trina Schart Hyman. **Parenting for Liberation** Trina Greene Brown, 2020-06-25 Speaking directly to parents raising Black children in a world of racialized violence, this guidebook combines powerful storytelling with practical exercises, encouraging readers to imagine methods of parenting rooted in liberation rather than fear. In 2016, activist and mother Trina Greene Brown created the virtual multimedia platform Parenting for Liberation to connect, inspire, and uplift Black parents. In this book, she pairs

personal anecdotes with open-ended reflective prompts; together, they help readers dismantle harmful narratives about the Black family and imagine anti-oppressive parenting methods. Parenting for Liberation fills a critical gap in currently available, timely parenting resources. Rooted in an Afrofuturistic vision of connectivity and inspiration, the community created within these pages works to image a world that amplifies Black girl magic and Black boy joy, and everything in between. Trina Greene Brown has created a guide for Black parents who want to raise fierce, fearless, joyful children. She knows what a challenge this is given the state of the world but argues that liberated parenting is possible if we commit to knowing and trusting ourselves, our children, and our communities. Anyone curious about how to walk with a child through tumultuous times needs to read this book now. —Dani McClain, author of *We Live for the We: The Political Power of Black Motherhood*

Last Girl Standing Trina Robbins, 2017-08-16 Born on the cusp of WWII in 1938, at a time when other little girls dreamed of being nurses and secretaries, Trina Robbins's ambition was to be a bohemian; and indeed she did. She chronicles a life of sex, drugs, rock 'n' roll — and comics — in *Last Girl Standing*. Robbins describes her upbringing in Queens, New York, reading comics through her childhood in the 1940s; visiting the EC offices and becoming part of SF fandom (dating Harlan Ellison at age 16); and posing nude for men's magazines in the 1950s; living in the Village, over her own boutique where she made clothes for and interacted with rock royalty like David Crosby, Donovan, Cass Elliot; her close relationship with Paul Williams; entering the orbit of underground cartoonists like Art Spiegelman, R. Crumb, Vaughn Bodé, and Bill Griffith, when she started contributing comics to *The East Village Other*; and, in the '70s, moving to San Francisco, contending with the phallogocentric underground scene, marrying Kim Deitch, co-founding *Wimmen's Comix*, and being invited into *Felch Comics* (she declined); her work for the *National Lampoon*, *Marvel Comics*, and *Eclipse* in the 1980s; and her crisis as a cartoonist and transformation into an historian and lecturer in the '90s and 2000s. From science fiction to the Sunset Strip, from New York's underground newspapers to San Francisco's underground comix: Trina Robbins broke the rules and broke the law. From dressing Mama Cass to being pelted with jelly babies as she helped photograph the Rolling Stones's first US tour, from drunken New York nights spent with Jim Morrison to producing the very first all-woman comic book, this former Lady of the Canyon takes no prisoners in this heavily illustrated memoir.

**The Brinkley Girls** Nell Brinkley, 2009-01-01 For over thirty years Nell Brinkley's beautiful girls pirouetted, waltzed, Charlestoned, vamped and shimmied their way through the pages of William Randolph Hearst's newspapers, captivating the American public with their innocent sexuality. This sumptuously designed oversized hardcover collects Brinkley's breathtakingly spectacular, exquisitely colored full page art from 1913 to 1940. Here are her earliest silent movie serial-inspired adventure series, "Golden Eyes and Her Hero, Bill;" her almost too romantic series, "Betty and Billy and Their Love Through the Ages;" her snappy flapper comics from the 1920s; her 1937 pulp magazine-inspired "Heroines of Today."

Included are photos of Nell, reproductions of her hitherto unpublished paintings, and an informative introduction by the book's editor, Trina Robbins. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Although there is some crossover you don't have to read Alexa first to enjoy this one.

**La La Lovely** Trina McNeilly, 2018-04-10 Through beautiful designs and imagery, LA LA LOVELY invites readers to find their true identity where there is brokenness, discover the love of God, and design their own special place of beauty. Author Trina McNeilly has been blogging for nearly a decade. While she spent her days sharing beauty, looking for lovely things, and redecorating her childhood home, her parents' unexpected divorce shattered her ideals of home. Through this journey, Trina learned that beauty is not beyond the laundry pile, chipped paint, dirty dishes, broken table or broken life. It's right in the center of it. Trina found that God IS beauty. And that he invites us to look, discover, uncover and find because when we find beauty, we find God. In LA LA LOVELY, Trina shares stories and inspiration from her journey of finding, and being found, by beauty. You will find deep matters of the heart along with practical pointers on things like decorating your home, finding your style, and creating beautiful spaces. Each chapter offers essays, beautiful photographs, design tips, and practical advice for creating a place of beauty and belonging no matter where you live or what you're going through.
